Word from the Cultural Festival Committee

Kisii polytechnic is celebrating a Cultural Festival week themed; **“EXPLORING TECHNOLOGICAL PRESERVATION, TRANSFORMATION AND PROMOTION OF CULTURAL HERITAGE WHILE FOSTERING SOCIO-ECONOMIC DEVELOPEMENT”**.

The festival is being celebrated on the backdrop of our nations’ aspiration to have seasoned youth geared towards creating the so desired transformation and to drive the economy.

The activities lined up avail opportunities for students among other things to: display their talents and giftedness; promote imagination, creativity and innovation in various fields of career progression; appreciate our rich and diverse cultural through preparation of food, songs, dance and various artifacts. The festival equally provides platforms of dialogue and engagement with the youths towards embracing positive choices and social values and sustainable utilization of resources.

Kisii polytechnic is therefore providing a platform for you to support students in upholding cultural values and ignite their creativity and innovation in career advancement towards the achievement of resources sustainability and peaceful neighborhood.

- ◆ To celebrate our cultural diversity and appreciate our cultural values through song and dance, folklore, poetry, narrations and exhibitions.
- ◆ To create a forum for sharing, expressing and practicing nationhood.
- ◆ To stimulate creativity and innovation among students with a view of enabling the utilization of culture to demonstrate their talents and gifts for national cohesion.
- ◆ To create an opportunity for the stakeholders to bond with the university through product promotion and marketing.
